✉ omkarsingh6742@gmail.com 📞 +91 7667300380 📍 Bengaluru, Karnataka, India 🌐 Portfolio Website

CAREER OBJECTIVE

Driven Commerce undergraduate at Mount Carmel College specializing in Corporate Finance, DCF Valuation, 3-Statement Financial Modeling, and SQL Database Analytics. Seeking an entry-level Investment Banking / Private Equity / Equity Research Analyst role to leverage analytical SQL queries (PostgreSQL 18), financial modeling, and Power BI dashboards to deliver data-driven investment and valuation insights.

EDUCATION

B.Com, Commerce	2025 – 2028
Mount Carmel College, Bangalore	Undergraduate Degree
Senior Secondary (XII), Karnataka State Board	2025
The National PU College, Jayanagar • Commerce Stream	Percentage: 80.17%
Secondary (X), CBSE	2023
Narayana E Techno School	Percentage: 86.40%

FINANCIAL MODELING & ANALYTICS CASE STUDIES

Tech Giants SEC Financial Database & Power BI Dashboard

POSTGRESQL 18 & POWER BI

- Engineered a relational PostgreSQL database processing 20 SEC 10-K filings (2021–2024) across Apple, Microsoft, Amazon, Alphabet, and Tesla.
- Wrote Institutional SEC Financial SQL analytical queries calculating EBITDA margins, Cash Conversion Ratios, and RANK() OVER Window Functions (\$1.70T sector revenue).
- Integrated PostgreSQL dataset into an interactive Power BI Dashboard with custom DAX measures and green heatmap tables.

NexGen Tech Financial Model & DCF Valuation

EXCEL MODELING & VALUATION

- Engineered an integrated 4-year Pro Forma 3-Statement Model (Income Statement, Cash Flow, Balance Sheet) for 2026–2029.
- Built dynamic Base, Bull, and Bear scenario switchers with automated EBITDA forecasts and Two-Way DCF Sensitivity Matrix (₹1,92,38,543 Implied EV).

Q3 Budget vs. Actual Variance Power BI Dashboard

POWER BI & DAX

- Designed an interactive Power BI Desktop dashboard with category slicers, DAX KPI measures, and DAX green/red conditional formatting.
